Dear Sir:

Pursuant to 37 CFR §§ 1.97-1.98, applicants hereby bring to the attention of the U.S. Patent and Trademark Office ("USPTO"), the enclosed 158 references listed on the attached PTO-1449 form.

The enclosed references were originally submitted to the USPTO with applicants' February 4, 2000, Information Disclosure Statement, and identified therein as references 1-11, 13, 15-33, 35-105, and 108-163. The USPTO has informed applicants that these references cannot be located. As requested, applicants resubmit herewith the above-identified references (renumbered as References 1-158).

Because the enclosed references were originally filed with the February 4, 2000, Information Disclosure Statement, no additional fee is required. If it is subsequently determined that a fee is required for consideration of this information disclosure statement, then the USPTO is authorized to charge deposit account No. 14-1138.

Respectfully submitted,
